HOSPITALITY

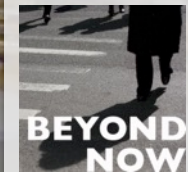

A photograph of an elderly woman with short grey hair and large red-rimmed glasses. She is wearing a black long-sleeved top and a gold watch on her left wrist. She stands in a kitchen with her left hand on her hip. On the counter in front of her are numerous small jars of paint or plaster, a yellow container, and a bunch of bananas. In the background, a window shows a view of a building with a balcony. A semi-transparent purple rectangle is overlaid on the right side of the image, containing white text.

An architectural rendering of a modern, multi-story residential or community building. The building features a mix of materials, including wood paneling, stone, and large glass windows. It has multiple balconies and a central courtyard area. The courtyard is paved with light-colored stone and includes outdoor seating, a large umbrella, and a lounge area. There are also green spaces with trees and grass. Several people are shown walking and sitting in the courtyard, giving a sense of scale and life. A semi-transparent text box is overlaid on the left side of the image.

VRAGEN ...

Hey, you!
You don't see me.
I'm OLD!

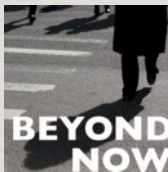

I
have had
a wonderful
life.

I was proud,
living my life fully

I was together with my lover for
many years. But then, he died. And I had
to go to a retirement home. And you know,
I find myself back in high-school: having
to do my outing all over again, and like
back then, not everyone is happy to hear
the news. So, sometimes I just don't tell.

Let them think what they want!
